

REGISTRATION IN A GRADUATE COURSE FOR UNDERGRADUATE CREDIT Cockrell School of Engineering

Requirements: Before completing this form be sure that you satisfy the requirements contained in the General Information Bulletin, Section 2, as follows:

Graduate courses for Undergraduate Students – An undergraduate may enroll in a graduate course under the following conditions:

1. He or she must be an upper-division student and must fulfill the prerequisite for the course (except graduate standing).
2. He or she must have a University grade point average of at least 3.00.
3. He or she must receive the consent of the instructor of the course and the graduate advisor for the department in which the course is offered. Some colleges and schools may also require the approval of the dean's office. Individual divisions may impose additional requirements or bar undergraduates from enrolling in graduate courses.

An undergraduate student may not enroll in a graduate course that has fewer than 5 graduate students enrolled.

A graduate course taken by an undergraduate is counted towards the student's bachelor's degree in the same way that upper-division courses are counted, unless the course is reserved for graduate credit. Courses reserved for graduate credit may not also be used to fulfill the requirements of an undergraduate degree.

An undergraduate student enrolled in a graduate course is subject to all University regulations affecting undergraduates.

Law courses for Students not in the School of Law – Undergraduate students may not take courses in the School of Law.

INSTRUCTIONS: Return this completed form to ECJ 2.200 by the twelfth class day in a long-session semester or the fourth class day in the summer session.
