Assistant/Associate Professor, Hong Kong University of Science and Technology, Hong Kong

Position: Assistant/Associate Professor
Organization: Hong Kong University of Science and Technology
Location: Hong Kong

Description:

The Department of Electronics and Computer Engineering at Hong Kong University of Science and Technology invites applications for a tenure track faculty position at the rank of Assistant/Associate Professor. All research areas related to biomedical engineering will be considered, but higher priority will be given to the areas of biomedical micro- and nanoscale systems, multi-scale modeling for systems biology and biomedical information processing. The Hong Kong University of Science & Technology is a truly international university in Asia’s world city Hong Kong and its Engineering School has been consistently ranked among the world’s top 25 since 2004. The high-quality of our faculty, students and facilities provide outstanding opportunities for faculty to develop highly visible research programs. All formal instruction is given in English and all faculty members are expected to conduct research and teach both undergraduate and graduate courses. The Department offers BEng, MSc, MPhil and PhD degrees. The Department has excellent computing resources, state-of-the art teaching and research laboratories and currently has about 40 faculty members, 813 undergraduate students and 388 postgraduate students. Starting rank and salary will depend on qualifications and experience. Fringe benefits including medical and dental benefits, annual leave and housing will be provided where applicable. Initial appointment will normally be on a three-year contract. A gratuity will be payable upon successful completion of contract. Re-appointment will be subject to mutual agreement. Applications including full curriculum vitae, list of publications, names of five referees should be sent by email to eesearch@ust.hk addressed to: Professor Hoi Sing Kwok, Chairman of Search Committee, Department of Electronic & Computer Engineering, The Hong Kong University of Science & Technology. The search will continue until all the positions are filled.

Qualifications:

Applicants must hold a Ph.D. degree in biomedical engineering or related field. The successful candidate will be expected to advise students and teach undergraduate/graduate courses.
