Postdoctoral Fellowship, University of Cincinnati Department of Emergency Medicine, Cincinnati, OH

Position: Postdoctoral Fellowship
Organization: University of Cincinnati Department of Emergency Medicine
Location: Cincinnati, OH
Deadline: 2/1/2010

Description:

The Neurovascular Laboratory in the Department of Emergency Medicine has an open position for a postdoctoral fellow to work on an NIH/NIBIB funded project, under the direction of Dr. George Shaw. The position is for 1 year with an option to renew for a second year, assuming satisfactory progress and funding. The fellow will conduct research to further the development and characterization of a non-invasive monitor of neurologic status in both the in-vitro and in-vivo setting. The position requires and encourages close collaboration with the Departments of Biomedical Engineering and Neurosurgery in this endeavor.

Qualifications:

The qualified candidate should hold a Ph.D. in Biomedical Engineering, Physics, or closely related field, and have some experience in experimental low frequency EM measurements. Strong oral and written communications skills are a necessity for the position. Interested parties should send a cover letter, and a copy of their C.V., either by mail or electronically.
