Engineering Student Organization Grant Application

Grants of $500 will be awarded to five Engineering student organizations. Awards will be made based on use of the funds, number of students benefiting from the project and potential outcomes. Winning student organizations will need to write a brief article for the Ramshorn Newsletter (photographs encouraged) following their event/project. (The timeliness of submitting the article and photos may influence future awards so be sure to turn them in promptly.)

Please fill out this application and turn it in to ECJ 1.205 or campus mail it to *Friends of Alec, C2104*, by October 3, 2008 to apply for a Fall 2008 grant.
